The screenshot shows the Stamp Seal Maker software interface. The title bar reads "Stamp Seal M...". The menu bar includes "File", "Arrange", and "Help". The toolbar contains icons for "Open Project", "Save Project", "Insert Templates", "Export to Image", "Export to Docx", "Export to SVG", "Print", and "Select Language". The left sidebar has sections for "Font Family" (Arial), "Font Size" (3.0), "Style" (B, I, U), "Color" (Black), "Left Space", "Right Space", "Symbol Space", "Word Space", and "Other" (Head Yield, Foot Yield, Line Style, Thickness). The main workspace displays a circular stamp template with the text "CUSTOM STAMP 2X3 INCH FROM YOUR Sample Logo". A second stamp template is visible below it, featuring a state seal and the text "STATE POLICE NAME HERE" and "No. 12345 LICENSED". The right sidebar shows "Shapes" (Ellipse, Circle) and "Properties (mm)" (Radius: 24.82). The desktop taskbar at the bottom shows various application icons. Overlaid on the screenshot are the following text elements: "free4pc.org" in the top left; "Stamp Seal Maker Crack" in large blue outlined font in the top right; "Direct Download Links" in large red outlined font in the bottom center.
